

Transformed into His Likeness

A Handbook for Putting Off Sin and Putting On Righteousness

Many Christians pray, “Lord, change me.” Here is biblical help for those who want to change. **Transformed into His Likeness** is a valuable resource for individual Christians seeking help in personal struggles, or for pastors and counselors and those they counsel.

This workbook contains over 100 common problems facing Christians today along with biblical solutions for each, including special categories dealing with hindrances to spiritual growth, husbands and fathers, wives and mothers, teens and children. The explanation on how a believer changes and grows in Christ-likeness is enlightening and easy to grasp. The Scriptures are a great resource right at your fingertips.

The strength of this resource is that it is a complete package.

It explains the biblical process of change, helps identify where personal change is needed, provides pertinent Scripture references to problem areas, and offers a practical worksheet to walk you through the change process and help you implement biblical change into your life.

“Armand Tiffe has compiled an impressive list of categories for change, and an ample supply of Put Off and Put On verses that instruct the serious disciple in how to make these changes stick. His introductory teaching concisely and clearly helps people understand the biblical process of change. This book is a ‘keeper’ for both counselees and counselors.”

Joe Propri, Pastor and Director of Biblical Counseling Institute

Armand P. Tiffe is Pastor Emeritus of Cornerstone Community Church in Mayfield Heights, Ohio. He was Cornerstone’s founding pastor and senior pastor for 26 years until retiring from that role. He continues to serve at Cornerstone overseeing its Biblical Counseling and Training Center. Armand is a certified biblical counselor and instructor of biblical counseling for the Association of Certified Biblical Counselors. He is the author of *The Most Encouraging Promise in the Bible*. Armand and his wife Kathy are blessed with two adult children, their spouses, and three grandchildren.

“One very prominent theme in Scripture involves putting off ungodly practices and putting on godly practices in the process of biblical change into the likeness of Christ. You simply can’t read the Scripture carefully without having the truth impressed upon you that change is important and that change is a process. As we consider this matter of change, two questions need to be answered: what should we change and how can this change be accomplished? In this booklet, **Transformed into His Likeness**, Armand Tiffe answers both of these questions in a very clear and understandable way. The contents of this booklet are well arranged and fully supported by biblical references. Individuals will find it useful for promoting personal growth, and counselors will find it helpful for counseling assignments.”

“Pastor Tiffe has written an excellent resource for any Christian who wants to really grow and mature in God’s grace. This workbook is clear, practical, and an accurate explanation of the process of biblical change.”

Martha Peace, Biblical Counselor,
Author of *The Excellent Wife*

“Here is concrete biblical guidance on an extensive array of common life problems from a faithful pastor who understands his calling to minister to people who need practical ‘Put Off/Put On’ change. There is a wealth of Scripture to consider as you apply the Bible to yourself and seek to lead others along the path of Christian growth.”
